- 3) Proceedings of the Committee to Restore  
Carbondale City Hall, Inc. and the  
Carbondale Historical Society and Museum,  
Inc., November 1981--March 1983;  
no roll

That makes eleven rolls of microfilm; an incredible "document" about SRP and his work during the period from January 15, 1975 (when Parade Harmonies was begun in the Music Room of the Bobst Library at NYU) to June 21, 1985 (when SRP sat at his marble top desk in the tent at Elkdale <sup>and wrote in his journal</sup> and celebrated the arrival of summer 1985). I shall also purchase a microfilm copy of my Ph.D. dissertation and place that in the <sup>SRP</sup> microfilm box at the Liberty Bank. Given the fact that that dissertation is, in many respects, the "end product" of all of my academic pursuits, it can be said to represent the period from 1961-1974 (in 1961 I began as a freshman at Penn State; in 1974 I was awarded my Ph.D.). And so from 1961 to 1985 there are very few gaps - twenty four on microfilm, as it were. Also to be placed in the <sup>SRP</sup> microfilm box in the bank will be the microfiche copy/edition of PN... 1985.

6PM - returned Alice Lund's call to me of two days ago; DWP & SRP will go to Seelyville tomorrow night at 7PM and plan, with Alice and Norman, the Grinnell Reunion-1985 / CCBC Pioneer Day-1985.
